Electrical Power Engineering**

**ELEKTROENERGETIKA 2011**

September 21–23, 2011, Stará Lesná, Slovak Republic

Name: Proceedings of the 6<sup>th</sup> International Scientific Symposium on Electrical Power Engineering  
ELEKTROENERGETIKA 2011

Publisher: Technical University of Košice  
Faculty of Electrical Engineering and Informatics  
Department of Electrical Power Engineering

Published: September 2011

Editors: Michal Kolcun, Iraida Kolcunová, Juraj Kurimský

Edition: First

Pages: 418

Circulation: 150

Print: Technical University of Košice, 2011

Copyright : Technical University of Košice, Slovak Republic © 2011

Manuscripts of papers submitted to Symposium Proceedings are peer reviewed by two reviewers. The review results are compiled according following procedure: the paper is accepted or rejected according match of recommendations of both reviewers. If there is conflict of review results, the paper are reviewed by third reviewer and his result is conclusive.

The Authors are responsible for contentual and lingual accuracy of their papers and the materials presented.
